General Manager

Subject: Article 54 DL 9/98.

Dear General Manager:

For your further knowledge, we would like to remind you that next July 13 is the deadline to submit to the Superintendency the list of companies that comprise your Economic Group from which the Bank is a part thereof.

Due that the Superintendency has not established yet the specific criteria to consider companies as part of the Economic Group, the list will be according to the usual criteria each Bank has regarding its presentations and acts.

We would highly appreciate to inform us about those criteria as well.

Yours truly,

Carlos A. Vallarino R.  
Superintendent of Banks
