Circular No. SBP-GSF-0059-2012

General Manager

Ref.: FIDSYS Project.

Dear General Manager:

As you are aware, the Superintendency informed trust companies of the project to modernize the framework for information transmittal on the "SF-UF-01" form by means of Circular SBP-GSF-0087-2011 dated 25 November 2011.

Additionally, the e-mails sent by the Superintendency on May 4 and 21 provided the updated structure of the charts prepared for reporting this atom information and set a May 31, 2012 deadline for the submittal of the information.

As a result, we would greatly appreciate your providing these instructions to your staff so they may submit the information by the deadline.

Best regards,

Amauri A. Castillo
Interim Superintendent
