Circular No. SBP-GSF-0091-2013

General Manager

Subject: FIDSYS Project – Loans Atom (AF05)

Dear General Manager:

By means of Circular SBP-GSF-0087-2011 dated November 25, 2011, the Superintendency of Banks informed trust companies of the advisability of computerizing the transmittal of information.

In response to the above, we have created the Loans Atom (AF05) for the submittal of this report through the FIDSYS system. Please find attached the tables that serve as a guide for filling in the required information.

This new requirement must be submitted to the Superintendency of Banks quarterly. It does not modify the requirement for the submittal of the SB-UF-01 form. The first submission is due no later than July 31, 2013 and should contain the information from March 2013.

We also wish to inform you that the personnel of our Trust Supervision Department will be at your disposal at telephone number 506-7883 to address your inquiries on this issue.

We would greatly appreciate your providing your staff with the necessary instructions for submitting the requested information by the established deadline.

Best regards,

Alberto Diamond R.  
Superintendent
