Circular N° SBP-DPC-FINAN-0110-2020

General Manager

Subject: Attention to preventive measures for COVID-19 (Coronavirus). Extension of suspension of procedural and administrative deadlines.

Dear General Manager:

As you may be aware of, by means of General Resolution SBP-RG-0001-2020 dated 18 March 2020, the Superintendency of Banks ordered the suspension of procedural and administrative deadlines as of Thursday, 19 March 2020, for fifteen (15) business days, extendable. This suspension will be expired on 8 April 2020.

Due that, to this date, the declaration of State of National Emergency as a consequence of the effects triggered by the infectious disease COVID-19 is still standing, the Superintendency of Banks has deemed it convenient to adopt, by means of General Resolution SBP-RG-0002-2020 dated 3 April 2020 the following:

To extend the suspension of procedural and administrative deadlines, established by means of General Resolution SBP-RG-0001-2020, dated 18 March 2020, for an additional fifteen (15) business days, extendable, from the eight o'clock (8:00 a.m.) of Thursday, 9 April 2020, without this implying the closing of the Superintendency of Banks offices nor of its operations.

The Superintendency will be attentive to the development of these events and will keep this, and any other communication channel, open, as required.

Best regards,

Amauri A. Castillo
Superintendent
