General Manager

Subject: Implementation of Table SB109 (CINU) in
trust atoms

Dear General Manager:

We would like to inform you that the Superintendency of Banks has deemed it advisable to replace Table SB08 (Type of Activities) with the new Table SB109 called National Standard Industrial Classification catalog (CINU, for its acronym in Spanish).

In this regard, the new Table SB109 will be used in trust atoms, through the FIDSYS system, from July 2021 with the information corresponding to the end of June 2021.

It should be noted that once the replacement is implemented, only the information from the CINU catalog will be received and any forwarding from previous periods must consider the new coding of Table SB109.

We have enclosed the new Table SB109 called National Standard Industrial Classification catalog (CINU), and the homologation with Table SB08 for your further reference.

We would greatly appreciate your providing the necessary instructions to your staff for compliance with these provisions.

Best regards,
