Circular No. SBP-DR-0043-2023

General Manager

Subject: Design element for posting on the bank's website

Dear Sir/Madam,

The Superintendency of Banks of Panama (SBP) would like to share the design element that includes the institution's official logo, which must be posted on the bank's website homepage, considering that we act as the regulatory and supervisory body of banks in Panama, as per the Banking Law.

The design element, in PNG format, must be posted following the instructions below:

1. In size 150 px X 150 px, on a clear background, preferably white (design element in full color) or on a dark background (white linear design element). Please avoid using patterned backgrounds.
2. Preferably on the left bottom margin of the website homepage.
3. Maintain its size, proportion, and must not be modified.

Attached, you will find the files with the design elements in full color and white linear color, both with clear background, for the purposes specified. Please note that the design element must not be used for purposes other than those indicated herein.

If you have any questions, feel free to contact the Communications & Public Relations Division at telephone number 506-7835.

We kindly request you to provide the necessary instructions to your staff to ensure compliance with these provisions.

Best regards,
