

NOTICE TO THE PUBLIC
THE SUPERINTENDENT OF BANKS

ANNOUNCES:

Due to the health emergency declared by means of Cabinet Resolution 11, dated 13 March 2020, as a consequence of the effects triggered by the COVID-19 pandemic, the Superintendency of Banks, by means of General Resolution SBP-RG-0001-2020, dated 18 March 2020, established the suspension of procedural and administrative deadlines without it implying the closing of the Superintendency nor of its operations.

Since, to date, the conditions that triggered the declaration of the State of National Emergency are maintained, the Superintendency of Banks has deemed it necessary to adopt, by means of General Resolution SBP-RG-0005-2020, dated 20 May 2020, the following measure: to extend until 7 June 2020 the suspension of procedural and administrative deadlines.
