## COMMUNIQUE

In response to recent media reports concerning legal actions filed against a general license bank in Panama, the Superintendency of Banks of Panama (SB) reaffirms its commitment to maintaining the stability of the banking system.

The SBP has been closely monitoring the situation and has determined that the bank in question is in good financial health. As of this communiqué, the bank maintains liquidity and solvency ratios above the legal minimum requirements.

The SBP will continue to closely monitor the situation and will provide updates as needed. Any future communications from the SBP will be disseminated through official channels, including the SBP website ([www.superbancos.gob.pa](http://www.superbancos.gob.pa)), and social media.

The SBP is committed to supervising and monitoring the operations of banks in Panama to protect the interests of customers.
