General Manager

Subject: Currency Atom (AT14) – Implementation of
Table SB90 of Accounting Atom (AT21)

Dear General Manager:

We refer to Circular SBP-DR-0217-2020 dated June 24, 2020, by means of which we informed banks that the new Ancillary Table SB90, which will replace Table SB02, must be used for the submittal of Accounting Atom (AT21).

In view of the foregoing, the new Table SB90 will be used in the Financial Position Atom – Currency (AT14) as of May 2021, containing the information corresponding to the end of April 2021.

In this regard, we have enclosed the updated Atom structure (AT14) (in Spanish), where Table SB02 was replaced by Table SB90, specifically in field 4 – Account code.

We would greatly appreciate your providing the necessary instructions to your staff for compliance with these provisions.

Best regards,
